

CRESCENDO Forage Maize

For a powerful finish!

- CRESCENDO is early to harvest (Maturity Class 8) and suitable for growing on all sites.
- Reliable dry matter yields – fills the clamp every year.
- CRESCENDO has big cobs ensuring high starch yields are achieved for good feed value in your silage.
- As one of the most popular ever varieties with British Farmers, CRESCENDO has proven performance on over 170,000 acres across the UK.
